

# Reconceptualizing the Moral Circle: An Experimental Analysis of the Moral Relevance of Humans, Animals, and Nature

Who do we consider when making moral decisions? And why?

**Actions differ from intentions:** moral prioritization is more complex than it seems

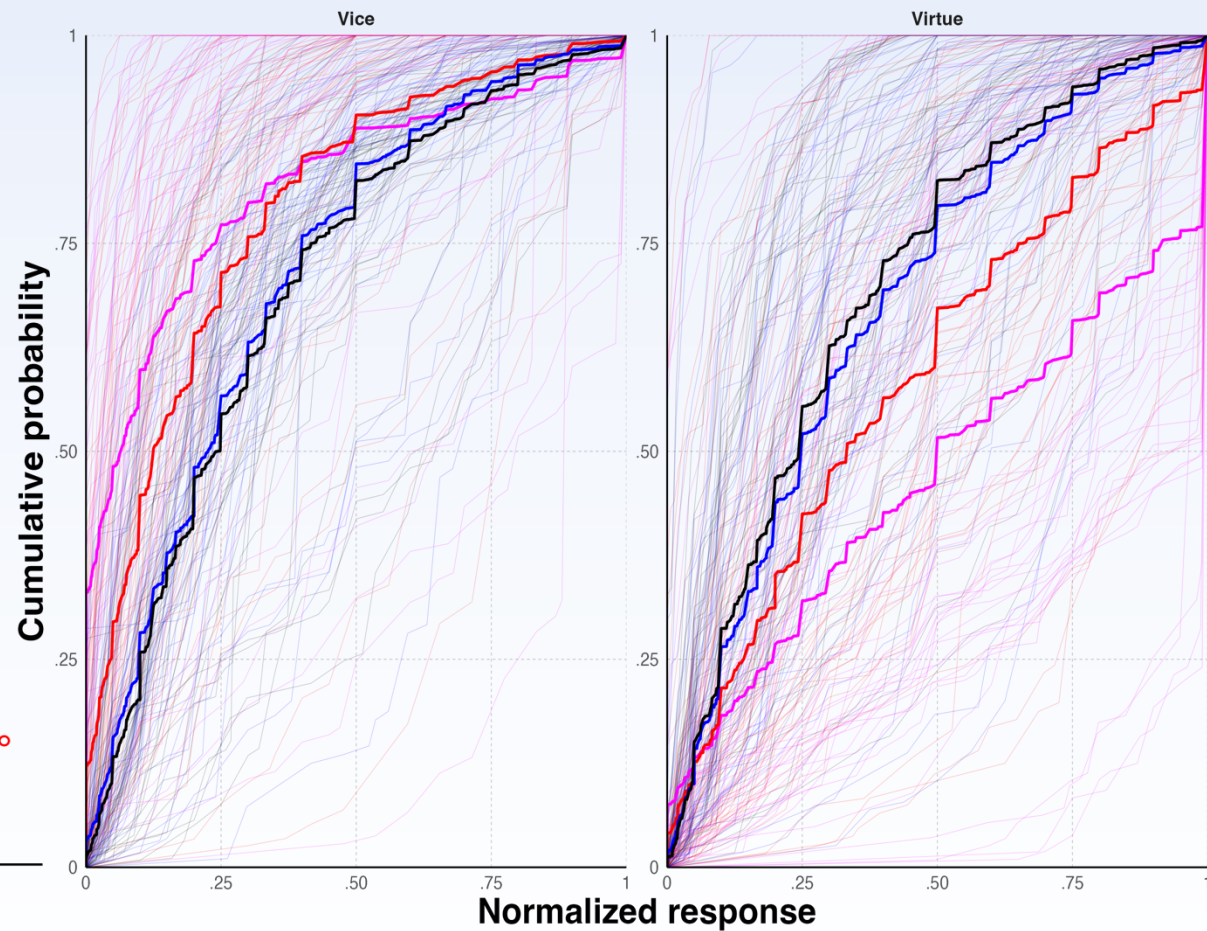

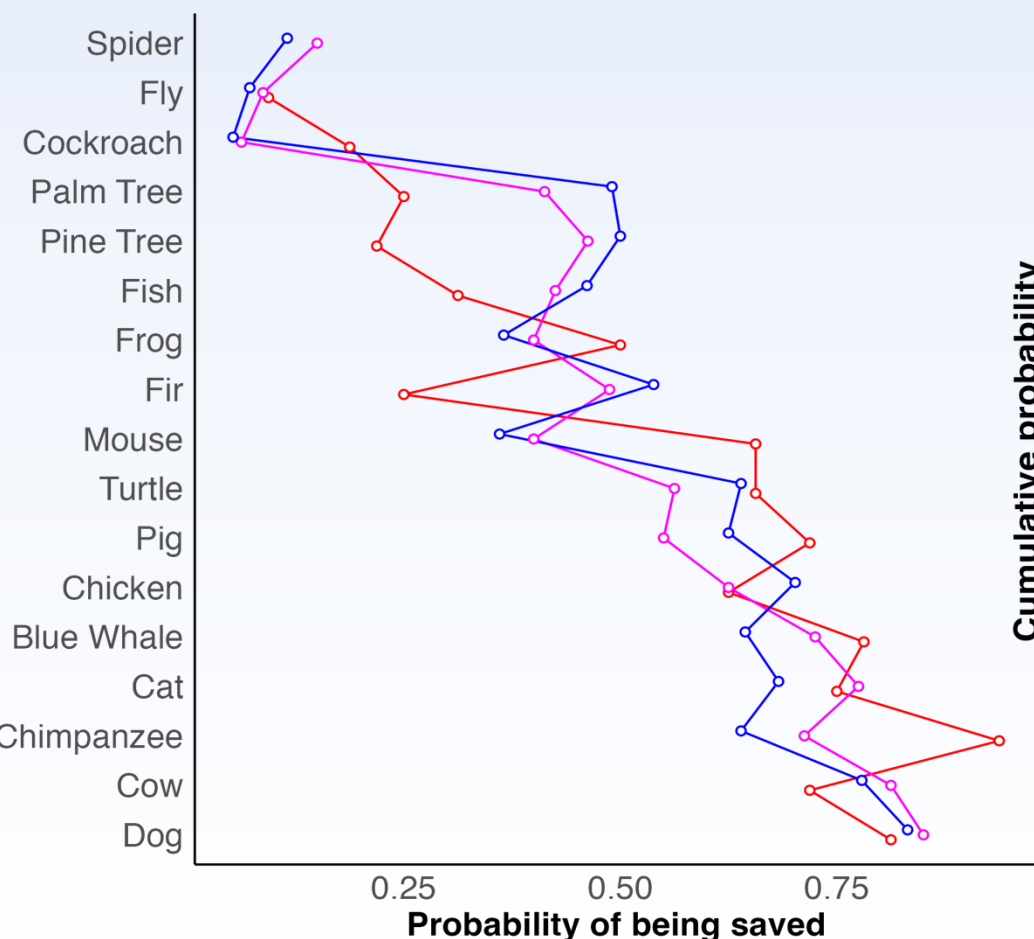

**Individual and Group level**

**Beliefs matters:** changes in language can reveal how our beliefs are made

## analysis

—○— Activist —○— Speciesist —○— Sympathetic

— Ideal — Reasonable — Normal — Average
